3 Accounting Policies

Basis of measurement and preparation of accounts

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

The company has net current liabilities of £54,884 at the balance sheet date. In order to continue to trade the company is reliant upon the support of its Directors and Shareholders. It has been indicated that this support will continue for the foreseeable future.

Turnover policy

Turnover represents amounts receivable for goods and services net of VAT and trade discounts.

Tangible assets depreciation policy

Tangible fixed assets other than freehold land are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Land and buildings Freehold - 2% Straight Line Basis

Other accounting policies

Compliance with accounting standards

The financial statements are prepared in accordance with applicable United Kingdom Accounting
Standards (United Kingdom Generally Accepted Accounting Practice), which

have been applied consistently (except as otherwise stated).

Deferred taxation

Deferred taxation is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes. The deferred tax balance has not been discounted.

Financial Instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.
